KEEP OUT OF REACH OF CHILDREN

**Uses**

Active vitamin C is released into the skin for over 12 hours to help the skin look firmer, healthier, brighter and revitalized while diminishing the appearance of fine lines and wrinkles.

**Directions**

1. Shake well until you hear the rattling sound of the inner ceramic balls to properly loosen the powder.
2. Mix an appropriate amount of the powder with daily skin care product of your choice (serum or moisturizer) in the palm of your hand.

3. Smooth the mixture onto clean face and neck. For best results, apply twice a day (morning and evening).

\* Adjust the amount of powder depending on your skin condition.

\* If you experience feelings of dryness, apply serum or moisturizer.
